## CORONAVIRUS (COVID-19) UPDATE #4

**ATTENTION ATTORNEYS:** If you may have been exposed to the COVID-19 virus, do not come to court. Instead, contact the Court in advance of your court appearance. Appearing in court with the information that you may have been infected or exposed to the virus places others at risk and is disruptive to the court.

As a reminder, telephonic appearances for most hearings (not trials) are encouraged for all civil cases, including Family Law, Probate, Small Claims and Landlord Tenant, and Child Support. Please visit [www.CourtCall.com](http://www.CourtCall.com) or call (888) 882-6878 for more information on scheduling a telephonic appearance.

As stated in yesterday's public notice dated March 12, 2020, criminal trials will receive priority over civil trials if there is a reduction in availability of jury panels. Civil jury trials will be suspended for the next 30 days, unless there are cases with statutory priority. There are no changes to court hours at this time and drop boxes continue to be available at court locations throughout the County.

Thank you for your cooperation during this time in keeping our courthouses safe healthy for staff and the community.
